

Mining and Financial News

BY REVIEW LEASED WIRE

NEW YORK, Aug. 21.—In further disregard of the shifting and still serious aspects of the labor controversy, today's active market evinced a pronounced disposition to augment last week's gains. Rails were almost the only stocks to show hesitation, although Reading's strength and activity proved almost an offset to the relative heaviness of St. Paul, Canadian Pacific and other western and northwestern issues.

United States Steel was the outstanding feature, making the new record of 95 on its net advance of 2 3/4 points at the very close of the session. Steel's previous maximum was 94 5/8, made late in 1909. Today's turnover in the stock approximated 165,000 shares, or almost 20 per cent of the whole.

Record quotations were registered by other important stocks, notably the shipping group.

Independent industrialists kept pace with steel, notably Lackawanna, Republic and Sloss-Sheffield steels, Colorado Fuel and Great Northern Ore. Equipments were especially strong and active in the final hour at 2 to 4 points advance. Automobile issues were variably higher, except General Motors, which yielded five points.

Copper, some of the semi-annual descriptions and Mexicans, improved 1 to 3 points, with almost as much for fertilizers and some miscellaneous issues. Sears-Roebuck featured its special class at an advance of 4 3/4. Total sales amounted to \$65,000 shares.

Bonds were steady. Total sales par value aggregated \$2,760,000.

United States Coupon 4's declined 7-8 per cent on call.

COTTON MARKET.

NEW YORK, Aug. 21.—The cotton market closed steady at a net advance of 24 to 45 points.

CHICAGO GRAIN MARKET.

CHICAGO, Aug. 21.—Extra clerks, who worked far into the night, have been employed by board of trade firms to take care of the immense volume of trade which began with government crop reports, and which has been stimulated since by private reports of widespread damage to crops, particularly wheat. Today's session of the board was a repetition of recent days. The market for wheat absorbed straggling loads and at the end added 2 3/4 to 3c to the price. Corn was nervous and closed 1-8 higher to 1-2 lower.

Oats advanced 1-4 to 3-8 higher. Provisions closed 10 cents lower to 20 cents higher. The wheat market started wild with prices as much as 3 3/4 over Saturday. Bids were two cents apart in different parts of the pit. A deluge of long wheat came out and although every recession brought new buying orders into the arena, prices were lower for some time. Half an hour, before the close, however, a violent upturn began and much of the loss was regained. The entry of the general public into the trade was noted. The news was bullish except the visible statement.

The top prices for corn delivery were attained at the opening. Then an advance of corn with bids attached came out and prices broke sharply. Longs were afraid of the predictions of cool weather and rains in the growing belt. The closing rally was helped materially by the weekly crop report of the Santa Fe Railroad, which said a good part of the Kansas and Oklahoma crop was a failure.

Heavy selling of oats to secure profits marked the session in that cereal, but prices, after the mid-session break, rallied and closed higher.

Provisions were moderately active, with trade mostly in lard. The advance in hogs was the principal influence in advancing prices.

BOSTON, Aug. 21.—The coppers were strong today and in good demand. It looks very much as if a big copper market was in the making and would buy Mohawk, Range, Allouez, Anaconda, Utah Copper, Inspiration and St. Marys for a big profit. Calumet and Hecla advanced 15 points on small buying. Tamarack gained 5 points.

U. S. Steel sold at 95, a new high price for all time. We are in a great bull market with the powerful financial interests back of it. Copper, 27 to 27 1/2.
